### Profile

I'm an energetic and positive person with a huge passion for leadership and IT. I have always been eager to develop new projects. I have years of experience as the leader of several projects, and I always focus on making work easy and fun for everyone.

I was raised in a familie who ran their own company on a farm, where my passion for leadership and business development started.

Need someone who is always motivated in news projects with a huge passion for IT and making everyone feel equal and essential? I'm your guy!
